

FISSIONTM
SINCE 2019

Made for Every Family

About Us

At FISSION™, we are shaping the future of mobility. More than just an electric vehicle brand, we are a movement towards cleaner cities, smarter technology, and limitless journeys.

Our vision is to redefine performance with sustainability, delivering vehicles that are as thrilling as they are responsible.

STYLED FOR TOMORROW

Pure Performance, Electrified.

Innovation

That
Moves You.

Our Promise of Excellence

We don't just build electric vehicles - we craft premium mobility experiences. Every model is designed with precision engineering, cutting-edge technology, and a commitment to unmatched quality.

Premium Product Quality

Heavy-Duty Chassis

Built for strength, finished with a premium touch.

Superior Fit & Finish

Automotive-grade paint and detailing for an elegant look.

IP-Rated Charger

Advanced dust & water protection, ensuring safety in every environment.

First in the Industry

3-Year Charger Warranty – A bold statement of trust and durability

Exclusive Battery & Charging Advantage

Fast-Charging Technology

High-performance chargers (6A & 10A).

Quick Recharge Promise

80% charge in as little as **3 hours**.

Long-Life Premium Batteries

Engineered for extended cycles and consistent performance.

Luxury of Performance

Unmatched Range

Up to 110 km per charge, setting new standards in the segment.

High Torque Drive

Effortless rides even with heavy loads and steep inclines.

Refined Ride Experience

Smooth, quiet, and powerful acceleration.

Our Promise of Excellence

After-Sales as a Premium Service

Exclusive Care Package

Doorstep service for maximum convenience.

Dedicated Support Network

Trained experts, genuine spare parts, quick response.

Extended Warranty Options

Extra assurance for our premium customers.

Premium Design & Smart Features

Stylish digital dashboards

with real-time performance insights.

Smart connectivity

options for next-gen riders.

Advanced Security Features

Anti-theft, GPS tracking, remote lock.

Value Beyond Price

Lowest cost per km (₹0.25/km)

without compromising on quality.

A premium product that delivers

lifetime savings and unmatched reliability.

Eco-conscious choice for customers

Anti-theft, GPS tracking, remote lock.
